## Classes and Instruction

We base our course-offerings on the underlying belief that most individuals want to be life-long learners. As such, we offer classes and instruction for all ages during the Fall and Spring, and for children during the Summer. For the highest level of learning, all Museum instructors are Certified Art Teachers and/or Art Professionals.

## SummerArt Camp 2010

"Modern Art"

For children ages 5-13 years old
